CONTRIBUTORS

James P. Ascher is Assistant Professor and Rare Book Cataloger at the University of Colorado at Boulder, where he teaches sessions on book history and maintains bibliographical databases. He earned an MLS as an IMLS ALSTARS Fellow in academic librarianship at the University of South Florida and an MS in Mathematics from the University of Florida. His research interests include bibliographical documentation in a library context, the effects of constrained infrastructure on printing (particularly early American printing in the mountain west), and the social role of rare book librarians in exposing subjugated knowledge.

LaVerne L. Poussaint is Principal of Plutonic Research & Knowledge Teams Intl. (PRAKTI). Her interests include Deep Web surfacing; NanoMedicine and Nano-Pharmacology subspecialties within health sciences librarianship; digitization of ancient and mediaeval-era Ayurveda and Siddha medical manuscripts of India; and the possibilities of NanoTechnology applications in their restoration, conservation, and preservation. She publishes a NanoArt and NanoGaming blog.

Jenny E. Robb is Associate Curator and Assistant Professor at The Ohio State University Cartoon Library & Museum (formerly the Cartoon Research Library). Before coming to Ohio State in 2005, she served as Curator of the Cartoon Art Museum in San Francisco for 5 years. She holds master’s degrees in History and Museum Studies from Syracuse University.

Jennifer K. Sheehan is Curator of the Rare Book and Texana Collections at the University of North Texas Libraries. She serves as an adjunct faculty member for the Department of Library and Information Sciences at the University of North Texas, where she teaches a graduate course on Preservation of Library Materials. She has a Ph.D. in Information Science, an MA in Museum Studies, and a BA in English and History.

Bruce Whiteman is the Head Librarian at the William Andrews Clark Memorial Library. He is currently writing a Ph.D. dissertation in Musicology on French vocal music.
